REMARKS

I find it very disturbing
that the DDA chose to eliminate
our items on personnel, physical & tech
security and terrorism but saw fit
to include 3 pay scale nit picks
and one on day care centers! where
is the future?
(I suggest this should be brought up at
the next staff meeting).

MEMORANDUM FOR: Director, DCI/DDCI Executive Staff

FROM: William F. Donnelly
                  Deputy Director for Administration

SUBJECT: 1987 State of the Union

REFERENCE: Memorandum for DCI from Alfred Kingon,
                  dtd 20 Oct 86, Same Subject

     The referenced memorandum solicited short summaries of themes, plans,
and programs for consideration for inclusion in the President's State of the
Union Message and/or his 1987 agenda. Accordingly, the following items are
submitted. The Executive Branch should stimulate legislation to:

     a. Criminalize unauthorized disclosure of classified intelli-
gence information by cleared individuals and should create an
orderly system for the proper declassification and release of
information when it is in the national interest to do so.

     b. Vest the DCI with such additional statutory authority,
beyond Section 8 of the CIA Act, as may be necessary to provide
a range of flexible compensation/benefits packages for Agency
employees to choose from; and to institute pay banding, simplified
position classification, and pay-for-performance throughout the
Agency.

     c. Extend the provisions for Government-matching contri-
butions, which will apply to employees covered by the Federal
Employees' Retirement System (FERS) and to employees under the
Civil Service Retirement System who elect to participate only
in the Thrift Plan portion of the FERS.

     d. Raise or eliminate the current statutory GS and SES
pay caps.

     e. Provide adequate authority and resources for federal
agencies to make space and other appropriate support available
for on-site day care centers to accommodate the needs of
single-parent employees and working couples.

MEMORANDUM FOR THE CABINET, SELECTED AGENCY HEADS, AND
POLICY COUNCIL HEADS

FROM: ALFRED H. KINGON

SUBJECT: 1987 State of the Union

The President has asked that you submit as quickly as
possible to my office all themes, plans, programs,
policies, etc., that you would like to be considered by
him for the 1987 agenda and possible inclusion in his
State of the Union Message.

These should include legislative proposals or legis-
lation that you wish to be enacted next year; legisla-
tive proposals that are longer term in nature but which
you would like the Congress to begin considering this
year; other programs and policies to be implemented
that do not require legislation; and a list of major
reports to Congress that will be due in 1987.

These items do not, at this time, have to be spelled
out in great detail; a short summary will suffice.

Please have your submission in to me by close of
business, Tuesday October 28.

Thank you.
